I am saling, I am saling home again cross the sea
I am saling stomy waters to be near you to be free

I am flying, I am flying like a bird cross the sky
I am flying I am flying to be near you to be free

Can you hear me, can you hear me through the
darknight far away
I am dying, forever crying to be with you, who can say

We are saling, We are saling home again cross the sea
We are saling stomy waters to be near you to be free

We are saling, We are saling home again cross the sea
We are saling stomy waters to be near you to be free
To be near you to be free, to be near you to be free

We are saling, We are saling home again cross the sea
We are saling stomy waters to be near you to be free
