What more do you want now?

You're not a good liar  
Not as good as me  
And I know you better  
Better than you think  
And I can't get you out of my head  
Doesn't matter what you've said  
You're the drug I couldn't quit  
I've got to have some more

Violate me, degradate me, regulate me  
And I don't care cause I'm a sick puppy

And I'll you a little story about it

Now I'm a junkie  
And I can't come clean  
Got a bad addiction, and it's killing me  
Too far gone, I should have been dead  
Once you got into my head  
Can't remember to forget  
Don't wanna anyway

Violate me, degradate me, regulate me  
And I don't care cause I'm a sick puppy

I can't explain it, what you do to me  
And I'm gonna burn for the things I think  
And I can't get you out of my head  
It doesn't matter what you said  
You're the drug I couldn't quit  
Give me something more

Violate me, degradate me, regulate me  
And I don't care cause I'm a sick puppy

Just take this soul to bleed  
I'll give you anything  
I'd say I know you like it too  
Don't want to let me catch up to you

It's such a welcome torturing  
Hurts so good, feels so good to me

What more do you want now  
Cause I'm a sick puppy
