We're resilient, we'll defy  
The evil cast upon us  
We organize the strategy  
For the force that we face  
By the light we defend the right  
We see the odds against us  
The rise and grace of vicious thought  
Must die within this place  
We can't turn back, we'll hold our ground  
Our mission is supreme  
We'll find a way  
For we shall purge the evil from the world

By the dawn, we feel the sun  
Will guide us thru the combat  
The battlefield is filled with troops  
Of men of long ago  
The sword is raised high, the cry is long  
From a voice within the distance  
Armageddon, here at last  
It is the final show  
We'll never turn back, we'll hold our ground  
Our mission is supreme  
We'll find a way for we shall end  
The world of their curse

The 7th of never, the 7th of never  
We carry the torch for the future of the right  
The 7th of never

The war to end all the wars  
Must be brought before us  
And what's at stake is far to great  
To lose in disgrace  
We will fade, if the need  
Or the cause demands it  
The rise and grace of vicious thought  
Must die within this place  
For the good shall reign from this day on  
Our mission is supreme  
We'll find a way

And we shall purge purge the evil from this world
