No one told me it was easy  
But the wall I built was too high  
Another nature falls around us... helpless  
I've been living just for myself, not aware  
There was another  
Please stop and look around

The Mountain Whispers  
Said I don't know  
The Mountain Whispers  
But I don't listen  
I don't listen

Everyday our path continues, where it leads is always  
changing  
Any can't we help her get it right  
No one told me it was easy, but we all can  
Stop this madness  
Aghhh!

The Mountain Whispers  
Said I don't know  
The Mountain Whispers  
But I don't listen

It's all around us  
Coming right at you  
It's finally found us  
What to do

It's all around us  
Coming right at you  
It's finally found us  
What to do

Seems like we want the wrong things  
Asking for what may not matter  
We must see before we lose  
Yeah, life asks us many questions, will we ever want  
the answer  
It's not go forward aimlessly

The Mountain Whispers  
Said I don't know  
The Mountain Whispers  
But I don't listen

I don't listen...  
Why don't we  
The Mountain Whispers  
But I say that I don't know  
The Mountain Whispers  
But I don't listen  
No!
