Face to face with adversity  
We'll never back down  
Our numbers grow before the dawn  
Itt all comes around  
Raise you hand and follow the call  
Sacrifice for the flock  
The music grows louder the closer we are  
We'll never be stopped

We are the voice of the cult  
And we will do all to survive  
We are crusaders tonight  
Yes, we are the voice of the cult

Feel the surge from within our crowd  
The power is real  
We will live forever ir seems  
We bask in the zeal  
We can't back down, we need your action  
Forget the rules, forget what's fashion

We are the voice of the cult  
And we will do all to survive  
We are crusaders tonight  
Yes, we are the voice of the cult

Raise your hand and follow the call  
Sacrifice for the flock  
The music grows better the closer we are  
We'll never be stopped

We are the voice of the cult  
And we will do all to survive  
We are crusaders tonight  
Yes, we are the voice of the cult

We are the voice  
We are the voice

We are the voice
