Verse 1:

She came into my day
I told her softly
That maybe she could stay
It feels so right
To feel like this
Cuz after all
Ignorance is bliss
She stayed a while
Then packed her things
That's why I sing
I lived like she wanted me to

Chorus:

Cuz I thought I was in love with you
I thought I was in love
I thought I was in love with you
I thought I was
I thought I was

Verse 2:

Next love I tried to look with both eyes open
Hoping that I would find
Myself a better half
Let's do the math
And take away the point of view
She blinded me
I stumbled in
I fell for her
Once again
I lived like she wanted me to cuz

Chorus:

I thought I was love with you
I thought I was love with you
Maybe you thought you was in love too
But I thought I was in love with you
Thought I was

Verse 3:

Last love I had

Last thing I needed
But who was gonna tell me that
If it was real
Then I should feel
Somebody giving it back to me
So it's a shame
No need to blame
We play these games
Whether we know
I lived like she wanted me to

Chorus
