This is the future, you're faster, you're so much better,
But you're, you're playing suicide.
I'm in control and how we're spinning is winning
So you should sit back enjoy the ride
You're pushing harder, you're smarter
But barter with more than your, more than your foolish
pride.
I know the road and how we're going, no slowing
So you should sit back enjoy the ride.

The race has started as we lead the pack.
Hang on to something as we sail.
You are the best and that's a simple fact.
While all the others simply trail

Status: All systems go.
Guidelines: You will abide.
Questions: Just let me know
Sit back, enjoy the ride.

Their limitations will mean nothing to you.
When you are cruising through the zone.
Pick up a weapon or a booster or two
And cross the finish line alone.
