"Gonna Stay Inside"

The sun is shining, it's a beautiful day
My friends are all coming over to play
We're gonna stay inside cause I just got Nintendo
The sun is shining, it's a beautiful day
And everything is going my way
I'm gonna stay inside so I can play computer

We'll have a LAN party with our systems attached
My buddies challenged me to a video match
Mom yells down, "It's nice outside.
You're getting kinda pudgy, you should exercise."
"Mom, can I school these hacks?"
"Mom, can I have more snacks?"
I'm asking you why can't I play my computer?

The sun is shining, it's a beautiful day
My friends are all coming over to play
We're gonna stay inside cause I just got Nintendo
The sun is shining, it's a beautiful day
And everything is going my way
I'm gonna stay inside so I can play computer

I'm on a super hard level
When I hear my mom say,
"You better get ready, Mr. Taylor's on his way."
I just wanna skip my baseball game
Cause my coach is a jerk and my team is lame
"Mom, can I ditch my ride?"
"Mom, can I stay inside?"
I'm begging you, why can't I play my computer?

Until the sun goes down
Until the sun goes down
If I must leave this joint
Just wait till the next save point
If you're making me leave this joint
Just give me till the next save point

The sun is shining, it's a beautiful day
My friends are all coming over to play
We're gonna stay inside cause I just got Nintendo

The sun is shining, it's a beautiful day
And everything is going my way
I'm gonna stay inside so I can play computer.
The sun is shining, it's a beautiful day
My friends are all coming over to play
We're gonna stay inside cause I just got Nintendo
The sun is shining, it's a beautiful day
And everything is going my way
I'm gonna stay inside, I just want to play my computer.
