Here he goes again
Press start to begin
An 8 bit mortal sin
Blood shot eyes are in.
And it starts to sing
With a frozen frame.
Monster leaps out of nowhere to steal the dame.

So I jump to action, watch my cool reaction
I strap on my laser boots and smoke some lower
faction.

Last token and I'm out of change. (x4)

Help me fight this foe
Make my power grow
Cause my health's too low
My guy moves too slow.
So I run away
Fight another day
Monster, wait here and I'll come back with a grenade.

Last token and I'm out of change. (x4)

So I jump to action, start a chain reaction
I strap on my missile pack and smoke some lower
faction.

Then I'll beat the boss
Turn him into sauce
It's a total loss
Now my eyes are crossed.
But I didn't win
Need to try again
Monsters run free until I get paid again.

And I'll jump to action, and find satisfaction
I strap on my power suit and smoke some lower faction.

Last token and I'm out of change. (x4)
