I woke up the other day
But when I went outside to play in the hay
There were monsters all around trying to get me
But Super Rygon saved the day

And I was walking down the street
And there were monsters that could eat me
Super Rygon, he came to my rescue
And swept me off my feet

Oh Super Rygon, Oh Super Rygon,
Oh Super Rygon, Ohâ€¦.

Super Rygon, he is my hero
Cause he punches punches punches
And he fights and kicks
All the bad guys when they're trying to get me
Trying to cook my skin

And I was walking down the street
And there were monsters that could eat me
Super Rygon, he came to my rescue
And swept me off my feet

Oh Super Rygon, Oh Super Rygon
Oh Super Rygon, Ohâ€¦.

Super Rygon, our final savior
Wish I could be like him in every way
When the monsters come around, he'll be fi-fighting
Fighting to save the day

And I was walking down the street
And there were monsters that could eat me
Super Rygon, he came to my rescue
And swept me off my feet

Oh Super Rygon, Oh Super Rygon
Oh Super Rygon, Ohâ€¦.
