Late Tonight
Love will come and creeping
In your room tonight
Grab tight
Climb into your heart
And twist it round
Round and round
Don't close your heart
And mind don't run away

A flash in the night
Oh oh like a fireball
Turning around
Oh oh like a fireball, fireball
A flame in the night
Oh oh like a fireball
I love making love
Oh oh like a fireball,
Fireball, fireball
Oh oh like a firebal

Close your door
Love will take you over
And your ask for more
You'll be sure
Nothing you have felt
Could be so strong
Oh so strong
Can't stop the feeling
Now can't turn away

A flame in the night
Oh oh like a fireball
Turning around
Oh oh like a fireball, fireball
A flame in the night
Oh oh like a fireball
I love making love
Oh oh like a fireball,
Fireball, fireball

A flame in the night
Just turns you on
You give up your heart
And mind give up your soul

A flash in the night
Oh oh like a fireball
Turning around
Oh oh like a fireball, fireball
A flame in the night
Oh oh like a fireball
I love making love
Oh oh like a fireball,
Fireball, fireball
