Well, one day baby  
You'll be sorry  
For the way you make people cry  
It's not so funny  
Not one bit, honey  
One day you'll wake up and re-o-lize

Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom)  
And see what happens

A-one day you told me  
Oh, how you told me  
Things that made me shake inside  
And then you kissed me, mmm!  
Oh, how you kissed me  
Then turn around and said you lied

Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom)  
And see what happens

Please stop doin'  
The things you're do-ooo-in'  
I know we can get along  
Your luck will run out  
One day you'll see  
And then you're lovin' arms  
Will belong to me

Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom)  
And see what happens

Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom)  
And see what happens

Just keep it up, mmm  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
And see what happens

Just keep it up, mmm  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)  
Just keep it up  
(Bom, ba-bom, ba-bom)  
(Bom-bom-bom-bom)

FADES-

Just keep it up  
And see what happens  
Just keep it up, mmm  
(Bom, ba-bom, ba-bom).

~
