"Lonely Woman"

Need someone who'll
Be a companion you see.
I'm just a lonely woman
In search of company.

I'm not the kind of
Woman who's foot-loose and free.
I'm just a lonely woman
In search of company.

(Bridge)
Won't the good Lord hear me?
How I need him near me.
Life without him is
So incomplete.
So I'm yearning to meet

That sweer, neat, off beat
Man of my dreams, can't you see.
I'm just a lonely woman
In search of company.
I'm so terribly blue.

I'm so alone.
Where can he be?
