Hiding in a smile
Is a life filled with hurt
A soul that's crying out
Wanting to be heard
I've tried all I know
To discard all my pain
Will I come alive
Is there any way

CHORUS:

I don't wanna waste another day
Living in regret from my mistakes
I'll move on and the sun will shine
Pick up the pieces walk away
Live with the choices I have made
You've forgotten and so will I
So will I

When the day is done
And the noise and lights are gone
I look back at my life
What else can go wrong
How could you still love
A heart as cold as ice

But I must look so different
Different in your eyes

I don't wanna waste another day
Living in regret from my mistakes
I'll move on and the sun will shine
Pick up the pieces walk away
Live with the choices I have made
You've forgotten and so will I
So will I

It's a mystery
How human can I be?

I don't wanna waste another day
Living in regret from my mistakes
I'll move on and the sun will shine

Pick up the pieces walk away
Live with the choices I have made
You've forgotten and so will I
So will I
The sun will shine
So will I
