SOS, SOS

I'm calling love to the rescue

SOS, SOS

I'm calling love to the rescue

When he came into my life

I asked him what's your alibi

He said he had a love to last forever

I'm lost in his love

He took my breath away

I thought that he was here to stay

But then he left me here

To drift alone

I'm lost in his love

I'm calling love to the rescue

Won't someone here

Listen out for my plea

I'm calling love to the rescue

I need someone to come and help me

Oh oh oh oh...

SOS, SOS

I'm calling love to the rescue

SOS, SOS

I'm calling love to the rescue

Left stranded all alone

It's hard to make it on my own

Although I'm one more

Shell upon the shore

I'm lost in his love

I tumble in my heart

And try to find that hidden part

Of love which seems

To lose my very touch

I'm lost in his love

I'm calling love to the rescue

Won't someone here

Listen out to my plea

I'm calling love to the rescue

I need someone to come and help me

Love to the rescue

Can't someone there

Listen out for my plea

I'm calling love to the rescue
I need someone to come and help me
Oh oh oh oh...
SOS, SOS
I'm calling love to the rescue
SOS, SOS
I'm calling love to the rescue
