"Stairway To The Stars"

Visit "[Stairway To The Stars](#)" on MotoLyrics.com

There's a silver trail of moonlight leading upward to
The sky
And the night is like a velvet lullaby
There's a heaven of blue
And we'll go there, just you and I

Let's build a stairway to the stars
And climb that stairway to the stars
With love beside us to fill the night with a song

We'll hear the sound of violins
Out yonder where the blue begins
The moon will guide us as we go drifting along

CHORUS:

Can't we sail away on a lazy daisy petal
Over the rim of the hill?
Can't we sail away on a little dream
And settle high on the crest of a thrill?

Let's build a stairway to the stars
A lovely stairway to the stars
It would be heaven to climb to heaven with you

Let's build a stairway to the stars
A lovely stairway to the stars
It would be heaven to climb to heaven with you
