4! 3! 2! Go!

God brought an angel to my life but she is not...
Your typical angel, you never gonna seen her with a
harp
Since she's been here my heart and soul have long
since torn
Look there's a twinkle of a horn

But it's so hard to believe anything you say
Cos your personailty changes with each passing day

I... am caught in this rollercoaster
Ride... of your thoughts and your emotions
So please stop a while so I can throw up all my cares
aside
Cos I don't wanna miss this rollercoaster ride!

Reading you is like a science I'm never gonna learn
Heading down on that highway and then down you turn
One minute, sun is shining then the rain starts to pour
With you, leave all sane thoughts and feelings at the
door...

The way u make me feel, I'm at a loss for words to say
To hell with tomorrow... Lets live it up today!

I... am caught in this rollercoaster
Ride... of your thoughts and your emotions
So please stop a while so I can throw up all my cares
aside
Cos I don't wanna miss this rollercoaster ride!

Daaooow!

I... am caught in this rollercoaster
Ride... of your thoughts and your emotions
So please stop a while so I can throw up all my cares
aside
Cos I don't wanna miss this rollercoaster
Everybody wants to ride this rollercoaster
Can't afford to miss this rollercoaster riiaaaiide!

Daaow!
