## Verse 1

No one sits with him, he doesn't fit in  
But we feel like we do when we make fun of him  
Cause you want to belong do you go along  
Cause his pain is the price paid for you to belong  
It's not like you hate him or want him to die  
But maybe he goes home and thinks suicide  
Or he comes back to school with a gun at his side  
And a kindness from you might have saved his life

## Chorus

Heroes are made when you make a choice  
You could be a hero  
Heroes do whats right  
You could be a hero, You might save a life  
You could be a hero, You could join a fight  
For whats right for whats right for whats right

## Verse 2

No one talks to her, she feels so alone  
Shes in too much pain to survive on her own  
The hurt she cant handle overflows to a knife  
She writes on her arm, wants to give up her life  
Each day she goes on is a day that she's brave,  
Fighting the lie that giving up is the way,  
Each moment of courage her own life she saves when  
she throws the pills out, a hero is made

## (Chorus)

No one talks to him about how he lives  
He thinks that the choices he makes are just his  
Doesn't know he's a leader with the way he behaves  
And others will follow the choices hes made

He lives on the edge, hes old enough to decide  
His brother who wants to be him is just nine  
He can do what he wants because its his right  
The choices he makes change a nine year olds life

## [Chorus]

[Rap]

Little Mikey D was in the one class  
Who everyday got brutally harassed  
This went on for years  
Until he decided that never again  
Would he shed another tear  
So he walked through the door  
Grabbed the 44 out of his father's dresser drawer  
And said I can't take life no more  
And like that life can be lost  
But this ain't even about that  
All of us just sat back  
And watch it happen  
Thinkin' it's not our responsibility  
To solve a problem that isn't even about me  
This is our problem  
This is just one of the daily scenarios  
Which we choose to close our eyes  
Instead of doing the right thing  
If we make a choice  
And be the voice  
For those who won't speak up for themselves  
How may lives would be saved, changed, and  
rearranged  
Now it's our time to pick a side  
So don't keep walking by  
Don't wanna intervene  
Cause you just wanna exist and never be seen  
So let's wake up  
Change the world  
Our time is now

Chorus
