I could spend
The day I average in bed
Now you say
I'm sick in the head
For wanting that again

Oh oh oh
We used to live there
We don't anymore
I'm pretty poor
In that department right now

We used to sit there
It was a good year
We used to live there

Waterslides
Imagine that
You see your feet through the glass
We kissed
But I looked past you

Oh oh oh
We used to live there
We don't anymore
I'm pretty poor
In that apartment right now

We used to live there
It was a good year
We used to sit there

Don't try to sit
Don't try to sit with me
Don't try that shit
Don't try that shit with me
