Wanna quit and give up  
Simon says to pack it up  
Shot down from all sides  
Don't know why I try  
So take this and kiss it  
Goodbye won't miss it  
I wanna go back to L.A.  
I don't belong that's what they say

[Chorus:]  
They said don't try to change the world  
You're just a girl  
So it's...me against the world today  
I'm gonna do it my own way  
And though nobody understands  
I'm gonna make a one girl stand  
It's not Independence Day  
I can't waste time on what they say  
If we believe when we have faith  
We're gonna change the world someday

Back again one more time  
Couldn't keep me down last time  
Leaving what I know on faith  
To take on the world and make waves  
Still standing defiant  
Maybe me against the giants  
L.A. wasn't built in a day  
Games going long but I still play

[Chorus]

[echo] If we believe, when we have faith  
We're gonna change the world someday

[Chorus]
