I wear a disguise I'm just your average Jane  
The super doesn't stand for model but that doesn't  
mean I'm plain  
If all you see is how I look you miss the Superchick  
within and  
I christen you titanic under estimate and swim

I'll be everything that I want to be  
I am confidence in insecurity  
I am a voice yet waiting to be heard  
I'll shoot the shot bang that you hear round the world

I'm a one girl revolution

Some people see the revolution  
But most only see the girl  
I can lose my hard earned freedom if my fear defines  
my world,  
I declare my independence from the critics and the  
stones  
I can find my revolution  
I can learn to stand-alone...

I'll be everything that I want to be  
I am confidence in insecurity  
I am a voice yet waiting to be heard  
I'll shoot the shot bang that you hear round the world

I'm a one girl revolution

I'm a one girl revolution

I'm a one girl revolution

Cuz I'm a one girl revolution

Cuz I'm a one girl revolution

and I'll be everything that I want to be  
I am confidence in insecurity  
I am a voice yet waiting to be heard

I'll shoot the shot bang that you hear round the world

be everything that I want to be

I am confidence in insecurity

I am a voice yet waiting to be heard

I'll shoot the shot bang that you hear round the world
