Suns up
A little after twelve
Make breakfast for myself
Leave the work for someone else
People say
They say that its just a phase
They tell me to act my age,
Well I am

On this perfect day, Nothings standing in my way
On this perfect day, When nothing can go wrong
Its the perfect day, Tomorrows gonna come too soon
I could stay, forever as I am
On this perfect day

Suns down
A little after ten
I pick up all my friends
In my mercedes-benz
Wake up
Dont tell me its just a dream
Cause when Ive had enough
Youll hear me say,
Now dont you try to rain on my

Perfect day, Nothings standing in my way
On this perfect day, Nothing can go wrong
Its the perfect day, Tomorrows gonna come too soon

I could stay, forever as I am
On this perfect day

Im in the race But Ive already won
And getting there can Be half the fun
So dont stop me
Till Im good and done,
Dont you try to rain on my
Perfect day
Its the perfect day
Its the perfect day
Nothings gonna bring me down
I could stay, forever as I am

On this perfect day, Nothings standing in my way,
On this perfect day, Nothing can go wrong

Im in the race But Ive already won
And getting there can
Be half the fun,
So dont stop me
Till Im good and done,
Dont you try to rain on my
Perfect, day
On this perfect day
On this perfect day
On this perfect day
