We are a thousand voices strong
we are each girl who sings this song
we are a beauty thats our own
and we are
and we are
so beautiful

we are light
we were born beautiful
we were meant to be more then the shadows of girls
they cut us down to size afraid we'll change the world
but we'll fight for your right to be beautiful girls

if every girl could see her beauty
we would be an army

(chorus) we are a thousand voices strong
we are each girl who sings this song
we are a beauty thats our own
and we are
and we are
so beautiful

and we are
and we are
so beautiful
and we are
and we are
so beautiful

we have dreams
we were born to full fill
we were meant to be more
then just fairy tale girls
we have colors so bright
each a beautiful girl
we are stars in the night
and were changing the world

when every girl can see her beauty
we will be an army

(chorus)

so beautiful

so beautiful

we are a thousand voices strong x2
we are each girl who sings this song x2
we are a beauty thats our own
and we are
and we are
so beautiful

(chorus)

so beautiful

so beautiful
