My bed is like non you've ever seen
It's deep blue leaves and pools of open green
Down here where the light has never been
Where I'm staying that's healthy for my skin

Chorus

Yesterday you talked to me
Today I feel I've sprung a leak
Today you've got nothing to say

Today you just swam away

I know there could be
Well I know there could be no bond
If you sank with me
Into this mildew pond

Chorus

If you sank with me
If you sank with me
If you sank with me

Chorus
