"We All Fall"

We all fall
Sometimes
We all let ourselves down
Sometimes there's nothing left but to live with what's
been done
And know you're not the only one
Who falls
We all fail
Sometimes
We all let someone down
Sometimes there's thing left but to promise to
ourselves

That next time we won't be the one
To fail
I want to tell you you can go on
That beginnings come from ends
I still believe in you
And so does God
He's the one who still believes in those who fail
He's the one who still believes in us who fall...
