I will walk beside you
Good and bad times
Busk the streets for spare change
I'll hold the sign
Though the storms may blow down
All that we own
I will not be homeless
You are home

Through it all
I'll go down to the bottom with you
They can take it all away
But I'll be alright with you
As long as you are by my side
I'll be okay
I'll be alright
With you

Charge the gates with fury
Blaze through the lines
Do not fear for safety
Yours or mine
Walk the path untraveled
Faith be your guide
I will walk beside you
All our lives

Risk it all
I'll go through anything with you
They can take it all away
But I'll be alright with you
As long as you are in my life
I'll be okay
I'll be alright
With you
