Nothing gets in my way today  
No one has the power of steel beneath them  
I'll leave the world?  
And left to rot beneath the bay

Chorus

It was a robin's egg and it was blue  
It was a robin's egg and it was blue  
It was crushed to bits and you saw it, too  
And you say about these things  
We say about these things  
We have no idea what we're saying

Don't you stay in one place too long  
They will crawl inside your shoes  
They will eat you from the inside  
They will make you play to lose

Chorus

Cut it short, we take the easy way every time  
We have no idea what we're saying
