Punch me hard
Make me feel it
Could not pivot away
I have to steal it

I don't wanna take anything
I feel guilty when I buy it
I'm writing my lines down from now on
Maybe you should try it

Punch me harder

Check you out
I wish I could
I'm not allowed

If I had the right code
If I smoke the right smokes
There's a little red stone that's breathing
As you're leaving it sinks
It lies at the bottom of a non-reflecting pool

Punch me harder
