Visit "[Throwing Things](#)" on [MotoLyrics.com](#)

I'm blowing up the street like a leaf
I skin my back a few times you'll see
Head over heels, my hands on my heart
I'm making a promise, and that's a start

Chorus

You're leaving a trail for me
I see you up in the tallest tree
(You're) throwing things down at me
I'm starting to climb, well I'm starting on my knees

Somewhere along the way
Dusk it turns back into day
The sky is orange
The trees lie down against it

Chorus

YYYYEEEEEEEEAAAAAHHH!

Chorus
