Level that house tie a rope to the back of the bus
Suck it all out take a straw to the rest of the dust

I crack a heater board taking pictures off the wall
Break this in the corner shoot it and see if it falls
Make a pile in the center of the room
Plant a flag and let's go
Set fire to the pile shut the door take a breath real slow
Take a breath real slow

Chorus

Three sticks in the basement
Three upstairs
You catch your fingertips over the edge of the world
just tear
And it's amazing but will soon be less than it was today
See me running outside with a box just to prove I'm a
fake
Yeah to prove I'm a fake

Chorus

I'll take it they can't
If I don't make itC
