Wakin' up on a Sunday
I've been ridin' for a night or two
Lookin' out of the window
I'm so tired, another drink will do

I'm just livin' a story
Like I heard it on a 45
There's no one here to rely on
It's the sign that makes me wonder why

Well, I can't get up no more
Though I tried standin' in a forest of reasons
Oh, I can't get up no more
Though I tried standin' in a forest of reasons

An' drivin' into the sun light
I've been thinkin' about a better life
There nothin' left to delight in
It's a sign we ain't got it right

Fadin' out on the highway
California comin' into sight
There's no one here to rely on
It's the sign that makes me wonder why

And I can't get up no more
An' though I tried standin' in a forest of reasons
Oh, I, I can't get up no more
Though I tried standin' in a forest of reasons

Like a moth to a candle
Driven to the naked flame
Murder's on the news
An' blood on the streets again

And I can't get up no more
Though I tried standin' in a forest of reasons
Oh, I, an' I can't get up no more
An' though I tried standin' in a forest of reasons

Standin' in a forest of reasons
Standin' in a forest of reasons

Standin' in a forest of reasons
Standin' in a forest of reasons

Standin' in a forest of reasons
Standin' in a forest of reasons
Standin' in a forest of reasons
