Well we jumped all night  
On your trampoline  
When you kissed the sky  
Made your sister scream

You ate our chips  
And you drank our Coke  
And then you showed me Mars  
Through your telescope

Oh Grace  
Save your money for the children  
Oh Grace  
Save your money for the children  
Oh Grace  
Save your money for the children

Oh Grace  
Save your money for the children  
Oh Grace  
Save your money for the children  
Oh Grace  
Save your money, save your money, girl

Well you sang your songs  
And you made us laugh  
So we captured you  
In a photograph

And when the stars came out  
Your Momma called your name  
But when the morning comes  
We'll get together again

Oh Grace  
Save your money for the children  
Oh Grace  
Save your money for the children  
Oh Grace  
Save your money for the children

Oh Grace

Save your money for the children  
Oh Grace  
Save your money for the children  
Oh Grace  
Save your money, save your money, girl

Save your money  
Save your money for the  
Save your money for the children  
Save your money for the children

Oh Grace  
Save your money for the children  
Oh Grace  
Save your money, save your money, girl
