Here I see a time, to go,
We'll leave it all behind.
And you know it's wrong, to fall.

We're in it for the money,
We're in it for the money,
We're in it for the money,
We're in it for the money,
We're in it for the money,
We're in it for the money,
We're in it for the money,

Got my mind made up,
Got my finger on the button, going way home,
Got the sound turned down,
Got a feeling in my pocket, going way home,

Well all I can see is our love,
And all I can hear is her,
Well all I can see is our love,
And all I can hear is her.

Got my mind made up,
Got my finger on the button, going way home,
Got the sound turned down,
Got a feeling in my pocket, going way home,

Got my mind made up,
Got my finger on the button, going way home,
Got the sound turned down,
Got a feeling in my pocket, going way home,

Got my mind made up,
Got my finger on the button going way home,
Got the sound turned down,
Got a feeling in my pocket going way home!!
