Album: LIFE ON OTHER PLANETS (2002) Well we're...  
ruin of fables As we drink ourselves right under the  
tables ... yesterday's papers Cos they're gonna kill us  
sooner or later ...climbing up the tower of ... and tell us  
that they love us and hate us Yeah we really ran and  
ruined the fables ... la-la, la-la, la-la, gotta get inside  
feeling la-la, la-la, la-la, gotta get inside feeling Well  
they meet in the ruin of fables They see inside us and  
what we are make of ... We do the dance of the mashed  
potato Come along and stick on a label Cos they're  
suplerfraligistic-anus ... city of angels la-la, la-la, la-la,  
gotta get inside feeling ... la-la, la-la, la-la, gotta get  
inside feeling la-la, la-la, la-la, gotta get inside feeling  
la-la, la-la, la-la, gotta get inside feeling
