Walk in the park, and it's getting dark
And I don't wanna be alone
Miss my mummy and I miss my daddy
Won't you please bring them back home?

Fly down the lane through the wind and the rain
Till the fires of the evening go
I miss my mummy and I miss my daddy
Won't you please bring them back home?

Drift in time as the mountains rise
From the floor of the valley below
Seasons change as the rivers meet the sea

Walk in the park, and it's getting dark
And I don't wanna be alone
Miss my mummy and I miss my daddy
Won't you please bring them back home?

Tire of the trail as the daylight fails
And the shadows of the east do grow
Miss my mummy and I miss my daddy
Won't you please bring them back home?

Side by side in the countryside
With no thought for getting home
Distant stars are the only lights to see

Miss my mummy and I miss my daddy
Won't you please bring them back home?
