Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo

Life is a cigarette smoked to the end
But if you rocket the middle bit
Then you burn all your friends
The wider your eyes the bigger the lies yes it's true

Yes it's true

Can you hear us pumping on your stereo
Can you hear us pumping on your stereo

Take a look through your window now
You're all alone on the road
Well you'll burn all your bridges down
And now you're losing control

The wider your eyes the bigger the lies yes it's true
If you make a mistake where you couldn't relate to your
groove

Yes it's true

Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo

Well now that I've met you
I love you as a friend
Yea but your love is mogadon
Love is the end

The wider your eyes the bigger the lies yes it's true
If you make a mistake where you couldn't relate to your

groove

Yes it's true

Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereo
Can you hear us humping on your stereeeeeeeeeee

Marvellous song well done marvellous song
Well done marvellous well done can we go home now
