A little hard to get
But I got time for you
Yeah, it's hard to move on
So why don't you come back?

Well, I'm an intelligent guy
But am I wasting my time?
I tried talking to you
And I'm starting to wonder, starting to wonder

You can't sate the rebel in you, with hands down you're
beautiful
You get the feeling that you cannot move now
With hands down you're beautiful, some kind of
fascination
With hands down you're beautiful, you're beautiful

You're in the land that time forgot
I wouldn't wait for you
Now it's happened again
So why don't you come back?
(Why don't you come back?)

How many times you've been
Sailing out of you
Yeah, it's always the same
Now I'm starting to wonder, starting to wonder

You can't stop the rebel in you, with hands down you're
beautiful
You get the feeling that you cannot move now
With hands down you're beautiful, some kind of
fascination
With hands down you're beautiful, you're beautiful

You can't sate the rebel in you, with hands down you're
beautiful
You get the feeling that you cannot move now
With hands down you're beautiful

You can't stop the rebel in you, with hands down you're
beautiful

You get the feeling that you cannot lose now
With hands down you're beautiful, some kind of
fascination
With hands down you're beautiful, you're beautiful

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
