Going to a party and you'll never want to leave it  
tonight  
You'll come and see the band, I know it means I should  
push it tonight  
Yeah, I know its just a feeling but I know I'm gonna see  
her tonight  
Yeah, and everybody knows they're never gonna get a  
sleep in tonight

And she said "When?"  
I said "Why, yeah, tonight?"

Going to a party and you'll never want to leave it  
tonight  
You'll come and see the band, I know it means I should  
push it tonight  
Yeah, I know it's just a feeling that I know I'm gonna see  
her tonight  
Yeah, and everybody knows you're gonna follow me  
around tonight

And she said "When?"  
I said "Why, tonight?"  
I went dry

And a gun in his hand  
And he's looking at mine  
And he's two foot two  
And it's clear you don't know where I am  
When you see what I've been through  
And he's phoning his cab  
When he's seemingly fine  
And he's seen me too  
It's clear he don't know what you are  
When you see what I've been through

She said "When?"  
I said "Why, yeah, tonight?"

Tonight

Yeah, she said "When?"

I said "Why, tonight?"  
I went dry  
Yeah, tonight
