White budding sun
It's gonna come again
Wait for the one
She's bringing you her love

But I may not know everyone
Along the way
And I may not see everyone
Along the way
Hey

Head for the hills
They're never far away
Look for the one
And she's coming for your love

But I may not know everyone
Along the way
And I may not see everyone
Along the way

Mmm
Laa laa laa laa laa
Laa laa laa laa laa laa
Laa laa laa laa laa laa
Laa
Ohh hey

Mmm
Laa laa laa laa laa
Laa laa laa laa laa laa
Laa laa laa laa laa laa
Laa
Mmm
(Take it away, wolfman)

But I may not know everyone
Along the way
And I may not see everyone
Along the way

And I may not know everyone

Along the way
And I may not see everyone
Along the way
Hey
