Whiskey and green tea at the KTV  
Whiskey and green tea nearly killed me  
At the KTV

In my room, there ain't no sun or no moon  
And I'm watching, walking, talking dogs do karate  
moves  
Ohh, being chased by Chinese dragons

Through revolving doors to the 13th floor  
To be greeted by military rows of middle aged school  
girls  
Ohh, being chased by Chinese dragons

Whiskey and green tea at the KTV  
(Sing along with me)  
Whiskey and green tea nearly killed me  
At the KTV

I was found in a hutong haze  
Climbing up forbidden city walls like a Bond Square  
bandit  
Ohh, being chased by William Burrows

Little rickshaw girl with a cock sure smile  
The look of wild fire in her eyes took me out of this  
world  
Ohh, being chased by Chinese dragons

Whiskey and green tea at the KTV  
(Sing along with me)  
Whiskey and green tea nearly killed me  
At the KTV

Whiskey and green tea at the KTV  
(Sing along with me)  
Whiskey and green tea nearly killed me  
At the KTV, yeah

Whiskey and green tea  
Whiskey and green tea  
Whiskey and green tea, nearly killed me

At the KTV
