Hey, Im in control of the dance floor, Im your man
Hey, show me your
Moves if you really wanna dance with me
Come on now, dance, please dance with
Me before the morning comes and you wanna go home
Come on now, dance, please
Dance with me before you change your mind and you
want to be free
Take a look
At me now, Im doing everything you want me to do
right now
So come on and
Dance, please dance with me before you change your
mind and you wanna go
Home
Youre the only one [x2]
Hey, please dance with me before the sun goes down
and you wanna go
Home
So come on and dance, look at yourself, you're looking
like a real
Fashion model
Youre supposed to dance, why don't you dance when
you have the
Chance, don't play those tricks on me
I know that you are hard to get, but
Youre wearing that dress like a million dollar girl
So come on and dance,
Please dance with me before the morning comes and
you wanna go home
So come
On and dance, before the sun is rising
Danza
Danza
