you go out on sundays  
you came home at midnight  
you're the one  
to know  
you think it is harmony  
well i guess i am thinking to  
much

so now you've changed your mind  
so now I've changed my  
mind  
well i guess i am thinking to much

I'm not a romany  
I'm just  
stupid boy

meet me at the libary tonight  
I wanna go to town  
but i  
am so confused  
and I don't wanna be with you

I'm not a romany  
I'm  
just stupid boy

meet me at our new place nice  
I wanna go to  
town  
but i am so confused  
and i don't wanna be with you

I'm not a  
romany  
I'm just stupid boy
