Oh well I'm all dressed up and I'm ready to go
Oh well I'm dressed up like
a sex machine
And if the kids are ready I'm ready to go
I smell a sexual
feeling in the air
We like girls and boys dancing in the street

Ohhhhhhhh no, we're not the new generation
x 4

Oh walla walla walla, shake your hips and shake your
toes
We gonna make
you shake everything you got
Yeah, we better come with music you can dance
to
The beats we have are gonna make you move
We like girls and boys
dancing in the street

Ohhhhhhhh no, we're not the new generation
x 3
Ohhhhhhhh no, we're not a part of the new
generation

We are the super six, yeah we gonna make you move

Ohhhhhhhh no, we're not the new generation
x 2
Oh walla walla
Ohhhhhhhh no, we're not the new
generation x 2
