Yeahhhhhh, I am a travelling man, Im travelling from
coast to coast

I am

A travelling man and I have seen every part of the
world

So you see, it's my

Job to have fun and to dance with who ever I want

With all the girls I

Want

All the girls in China town

And all the girls in Paris are screaming at

Me

Im rich and famous and can do what I want

But the only thing I want

Is you

All the girls in Tokyo they stop and stare

All the boys in London

Are laughing at me

Im rich and famous and can do what I want

But the

Only thing I want is you

Yeahhhhhh, I am the travelling man, my destination is

Los Angeles

I am the

Travelling man and I want to dance with you

Im driving in my limousine I can

Do what I want and Im eating caviar tonight

But the only thing I need is a

Travelling girl who can keep me company for the rest
of my life

All the girls in China town

And all the girls in Paris are screaming at

Me

Im rich and famous and can do what I want

But the only thing I want

Is you

All the girls in Tokyo they stop and stare

All the boys in London

Are laughing at me

Im rich and famous and can do what I want

But the

Only thing I want is you

All the girls in China town
And all the girls in Paris are screaming at
Me
Im rich and famous and can do what I want
But the only thing I want
Is you
