If you have any troubles go to Donna
I wonder if she speaks or if she
cries
And if you're really sad then you should know her
She'd love to be
your friend just for a while

Tell it to Donna
Tell it to Donna
She will guide you through your
life
Tell it to Donna x 2

If you have any troubles go to Donna
I wonder if she speaks or if she
cries
And if you're really sad then you should know
That she'd like to be
your friend just for a while

I want to go, I need to know
I care about you, I want you too
Cos' I
love you and you love me I know

I will like to go with you tonight
I care about you, I need you
now
Cos' I love you and you love me I know

Cos' I know you, I know you, I know you
