(intro: thunder, rain, guitar)

Oh, raindrops
So many raindrops
It feels like raindrops
Falling from my eye-eyes
Falling from my eyes

Since my love has left me
I'm so all alone
I would bring her back to me
But I don't know where she's gone
I don't know where she's gone

There must be a cloud in my head
Rain keeps falling from my eye-eyes
Oh no, it can't be teardrops
For a man ain't suppose to cry

So, it must be raindrops
A-so many raindrops
It feels like raindrops
Falling from my eye-eyes
Falling from my eyes

(instrumental)

Oh, ooh, ooh
There must be a cloud in my head
Rain keeps falling from my eye-eyes
Oh no, it can't be teardrops
For a man ain't suppose to cry

So, it must be raindrops
So many raindrops
It feels like raindrops
Falling from my eye-eyes
Falling from my eyes

It keeps on fallin'!
Fallin' from my eyes

Whoa-Hooo-Hooo-Woo

FADES-

It keeps a-fallin' from my eye-hi-eyes

Keeps fallin' from my eyes.
