(CHORUS)

You don't pop me down
With your love and I know
That you wouldn't dare put on the ritz for me
You don't pop me down
With your funk now it is
I won't let a sell out coming after me

Been waiting so long for a different song
Pitch and tone
They're all the same
I'm thinking "Boy, they need me"
Cause all the words they use are "show me love" and
"thinking of"
Their creativity is close to nothing

CHORUS x2

Now how would you feel if I made you dance
Shake that bootie like it ain't no thang
Hit you in the middle like ooh wee wee
Help me baby
If it's not all about the loop it all, cut it off
Their creativity won't lose to nothing

(CHORUS)

You don't pop me down
With your love and I know
That you wouldn't dare put on the ritz for me
You don't pop me down
With your funk now it is
I won't let a sell out coming after me

You don't pop me down
With your love and your funk
x2

Now I wanna rock like whoa!
Fellows if you're with me then you know
We got to go
Ladies wanna jam till tha

Breaka breaka dawn
So we gotta get it ON
Cause it's ON when it's ON
Then it's gone

Now ain't it weird that we just put it on
'N' play along
Keep it real

CHORUS...
