When the time is right
I am at upper side
Nothing can save all my words

Let my case behind
Let's make something new
No one can deny my task

The lower sides are cheap
Because I hate them all
Truly I'm a power king

It is alright you feel?
I felt it's not so right
Always attack my crazy mind

I've never felt happy
I have to get in touch with someone else
I hate to get in touch
But if it's gonna be a profit

Finally I am a crazy boy
Can be seen, since my birth
My mother have never been aware

To get to be a boss
It's not so hard for me
Everything is always be easy

I can do by my own
I never need someone helps
Leave me alone, just leave me alone

It goes illegally, nobody can realize
With no vision, will more power
Yeah...
