All I want to say  
Is you're the satellite  
In my life  
You don't have to lie  
And you don't have to cry anymore

Then I hear you say  
Let's live for the moment this time  
Why don't you just make up your mind?

You make my head spin  
You make my head spin  
Why? Why do you?  
You make my head spin  
You make my head spin  
Why? Why?

You love to build me up  
Just to tear me down  
Oh but why?  
Wouldn't it be nice  
If we found paradise someday

Then I hear you say  
Let's live for the moment this time  
Why don't you just make up your g\*dd\*\*n mind?

You make my head spin  
You make my head spin  
Why? Why do you?  
You make my head spin  
You make my head spin  
Why? Why?

Did I hear you say  
You want to be alone?  
Was this a mistake?  
How would we have known?  
Well I can hear you scream at me  
Scream at me!

I'm not perfect  
I'm not perfect!

You make my head spin  
You make my head spin  
Why? Why do you?  
You make my head spin  
You make my head spin  
Did I ever mean something  
You make my head spin  
Did I ever mean something  
You make my head spin  
....to you?  
Why? Why do you?
