(It's breaking me down)  
A-a-ah  
A-a-ah  
Boy check this out  
Before we get it on  
You gotta know  
I've got my doubts  
But wait, don't get me wrong (no, no)  
I like your style  
You know you rock my world  
It's just that you  
You drive me wild  
I'm going crazy boy  
~CHORUS~  
~~Your love is kryptonite (a-a-ah)  
It's breakin' me down  
Explode like dynamite (a-a-ah)  
When I hit the ground~~  
Oh can't you see  
It's clear to me  
Your love has got me down on my knees  
Oh baby please  
But I still come around  
I'm blown away  
By everything you do  
Just hear me out  
All I can say  
Emotions feel brand new  
I lost control  
The situation's worse  
I'm getting weak  
It's like my soul is tortured by this curse  
~CHORUS~  
~~Your love is kryptonite (a-a-ah)  
It's breaking me down  
Explode like dynamite (a-a-ah)  
When I hit the ground~~  
N-I-T-E, let your love explode on me  
N-I-T-E, let your love explode on me  
~CHORUS x 2~
